Tee times and groupings will be determined based on each player's cumulative score, with the highest scorers teeing off first and the lowest scorers teeing off last each day. Generally, the first pairing begins play from the first tee between 7:30-8:30 a.m. The last pairing for both days will start from the first tee at approximately 2:30 p.m.

## PLAYOFF FORMAT

If there is a tie for the low score after 72 holes, a two-hole aggregate playoff will be held immediately following the final round. If two or more players remain tied after those two playoff holes, they will continue to play hole-by-hole (sudden-death format) until the champion is determined.
